

BEYOND RECYCLING EXIT CARD

Name: _____

1. Were there more items in the REUSE or RECYCLE section of your Venn diagram?

2. Why do you think this is the case?

3. Was there a resource or material that came up more than once in your Venn diagram? What was it?

4. Why do you think these materials were more common?

5. Why do you think recycling is not the only answer to our waste problem?
